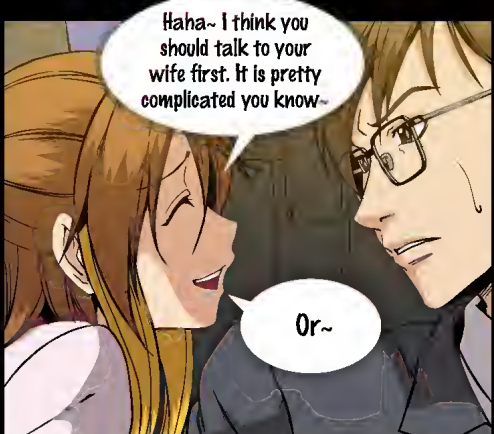
Do you... even know what you're saying...?

What's with that look? Did you really think about having a threesome?
N..no..! Yea! I did! It's your fault for putting ideas in my head!



Haha~ I think you should talk to your wife first. It is pretty complicated you know~
Or~

YOMANGA.CO

I can just secretly watch you two having sex~
How is that?

She doesn't know when to stop...
No! She's not joking...! Yeul-Ah's just like that!

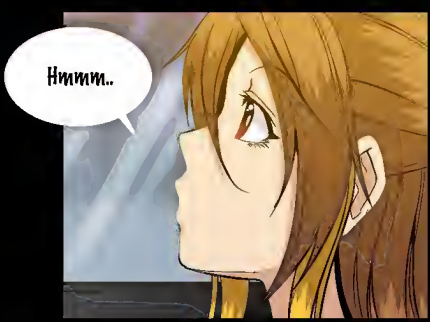
Wait...
I think it'll be best if you really tell me what's going on..

Why are you into me?

YOMANGA.CO

Because I like you.

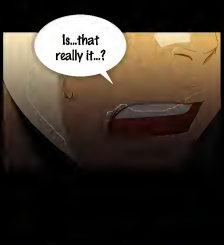
I know that. I want to know why.
Just until few days ago I thought it was love... but something's different.



Hmmm..

YOMANGA.CO

YOMANGA.CO



Is...that really it...?

You're sleeping with a married man because he's fun?
And you don't have any other feelings besides that?

?
Isn't that enough? To enjoy what's going on...

Didn't you marry your wife because you wanted to live a fun life?

YOMANGA.CO

She's... being serious...
She has no idea that she's being weird about this...
I..I need to head back to the office so you should go back to the shop.
Ah. I've been away for too long.

YOMANGA.CO

Just until yesterday he was so happy.
Is he down because I found out about what's going on?

Hey oppa.
Yea?

I'd like to talk to you for a bit...

Okay...

YOMANGA.CO

Would you like some tea?
No. I'm okay.

What's been going on at the office?

Let's talk.
We need to talk.
I'm really stubborn at work so naturally there are those who have developed animosity towards me.

YOMANGA.CO

.....
But things are getting better now. I've been trying to loosen up and I've been hitting target revenue as well.

Why haven't you said anything to me ?
I've been really worried seeing you so stressed out and you refuse to talk to me about it

Sorry...
I didn't want to show you my weak side...

YOMANGA.CO

If I was to talk about that you'd...
But you can show your colleagues your weak side?

Those eyes again. I'm spilling everything but what is she not liking now?

YOMANGA.CO

Do I really have to watch what I say to her?
I mean I didn't do anything wrong.

Can't I talk about how I can improve things from this point on...?

I need to know the reason so it can be improved.

드르륵

YOMANGA.CO

Unlike Yeul-Ah.

YOMANGA.CO

YOMANGA.CO

I don't even stand up to that girl from the shop...?

I'm going to sleep.

YOMANGA.CO

YOMANGA.CO

With Yeul-Ah everything's so stress free...

Sigh...so you're going to try to see her again? You're just her toy...
Don't you know she probably has others to have fun with?

Someone like him should be better for her.
